1A. RECURRING PAYMENT AUTHORIZATION

The Client (referred to in this Section as "Cardholder") authorizes Sleek Fitness LLC and its payment processor, CardConnect (a Fiserv company), to charge the payment card identified below on the recurring schedule set forth in Section 1, in payment of membership dues, applicable taxes, and any other charges owed under this Agreement. This Authorization remains in effect until cancelled in writing in accordance with Section 1(d).

Card data is collected separately via Sleek's PCI-compliant payment processor (CardConnect). Sleek staff will record the tokenized reference below after the Cardholder completes the secure card-on-file capture; the full card number is never transmitted through this Agreement.

CARDCONNECT TOKEN REFERENCE / LAST 4 (SLEEK TO COMPLETE)

CARDHOLDER NAME (IF DIFFERENT FROM CLIENT) RELATIONSHIP TO CLIENT (IF NOT SELF)

- a. Cardholder Representations. The Cardholder represents that (i) Cardholder is the authorized holder of the card identified above, or has the express authority of the cardholder to provide this Authorization; (ii) the information provided is accurate and complete; and (iii) Cardholder will promptly notify Sleek in writing of any change to the payment card information, including expiration, replacement, loss, theft, or closure of the account.
- b. Declined Charges. If a recurring charge is declined, returned, or reversed, Sleek may (i) retry the charge, (ii) charge a reasonable returned-payment fee as permitted by law, and (iii) suspend or terminate the Client's membership under Section 1 until the balance is brought current.
- c. Card Account Updater. If the card on file is reissued (e.g., new expiration, replacement after loss/theft, or branded reissue), the Cardholder authorizes Sleek and its payment processor to use card-account-updater services provided by the card networks to receive the updated card information so that recurring charges may continue without interruption, unless the Cardholder opts out in writing.
- d. Data Handling. Card data is collected via CardConnect's PCI-compliant payment platform, never via this Agreement. Sleek retains only the tokenized card-on-file reference identified above and does not retain the full card number on its own systems. The fully executed Agreement is stored electronically by Sleek and Sleek's e-signature provider in accordance with applicable law and is provided to the Client by email upon completion.
