4. AUTHORIZATION

I, the undersigned Cardholder, authorize Sleek Fitness LLC and its payment processor, CardConnect (a Fiserv company), to initiate recurring charges to the payment card identified in Section 2 above, in the amount and on the schedule set forth in Section 3, in payment of membership dues, applicable taxes, and any other charges I have agreed to under my Client Membership Agreement with Sleek Fitness LLC.

I represent and warrant that:

- b. The information I have provided is accurate and complete;
- c. I have sufficient funds or available credit to cover each recurring charge as it is presented; and
- d. I will promptly notify Sleek Fitness LLC in writing of any change to the payment card information, including expiration, replacement, loss, theft, or closure of the account.

If a recurring charge is declined, returned, or reversed for any reason, I agree that Sleek may (i) retry the charge, (ii) charge a reasonable returned-payment fee as permitted by law, and (iii) suspend or terminate my membership in accordance with the Client Membership Agreement until the balance is brought current.

5. CANCELLATION OF AUTHORIZATION

- a. **Written Notice.** This Authorization will remain in effect until the Cardholder cancels it in writing. Cancellation must be submitted to Sleek Fitness LLC in writing (by signed letter delivered to the facility address above or by email to the address designated by Sleek for membership matters) and will become effective no later than thirty (30) days after receipt, in accordance with the Client Membership Agreement.
- b. **Outstanding Balance.** Cancellation of this Authorization does not relieve the Cardholder or the Member of any membership fees, charges, or other amounts owed and accrued through the effective date of cancellation, all of which remain due and payable.
- c. **Card Replacement / Updater.** If the Cardholder's card is reissued (e.g., new expiration, replacement after loss/theft, or branded reissue), the Cardholder authorizes Sleek and its payment processor to use card-account-updater services provided by the card networks to receive the updated card information so that recurring charges may continue without interruption, unless the Cardholder opts out by notifying Sleek in writing.

6. DATA HANDLING AND SECURITY

- a. PCI-Compliant Processor. Card data provided on this form will be entered into Sleek's PCI-compliant payment processor (CardConnect) and stored as a tokenized record by the processor. Sleek does not retain the full card number on its own systems.
- b. Form Retention. The signed paper original of this form will be securely stored in a locked location accessible only to authorized Sleek personnel, retained only for the period required by applicable law and card-network rules, and then securely destroyed (e.g., cross-cut shredding).
- c. No Email or Cloud Transmission. A completed copy of this form containing the full card number will not be transmitted by email, text message, or unencrypted cloud storage.
